Sir,

Sub: Allowances - Travelling Allowance - Sri B.V.Subbiah, Ranger Student - Deputed to the 1950-52 Ranger's Course Belated claim - Admission - Orders requested.

Rax

Sri B.V.Subbiah, Forester, Bellary division, who was deputed to the Madras Forest College, Coimbatore for training in the 1950-52 Rangers' Course, performed the journeys from Harpanahalli to Coimbatore between 18.6.1950 and 29.6.1950. But he submitted his Travelling Allowance Bill on 26.10.1950 after the expiry of the time limit of 3 months prescribed in G.O.No.511, Finance (Exp.A.) Department, dated 16.5.1949. The District Forest Officer, Bellary to whom the Travelling Allowance bill was forwarded by the Principal, Madras Forest College, Coimbatore, rejected the claim as time-barred.

2. A copy of the representation of the Ranger Student dated 19.2.1951, explaining the delay on his part in preferring the claim, together with the original and revised Travelling Allowance bills, in duplicate with enclosures thereto is submitted. The revised Travelling Allowance bill has been checked by the District Forest Officer, Bellary and the amount admissible is Rs.132/4/-.

3. In the circumstances, I request that the rule under article 54 of the Madras Financial Code, Volume I, be relaxed in favour of Sri B.V.Subbiah, Ranger-student deputed to the 1950-52 Rangers' Course and that his claim for Travelling Allowance for the journey performed by him from Harpanahalli to the Madras Forest College, Coimbatore in June 1950, ~~and~~ admitted subject to the usual cut of 15%.

Sub: Transfer T.A. of B.V.Subbaiah (of Gunturi Division) Ranger student of 1950-52, Madras Forest College - Journey performed on deputation - Rejected by the District Forest Officer, Bellary, for late submission - Now request made for the grant of.

I, B.V.Subbiah, Permanent Forester of Guntur Division (now undergoing training at Madras Forest College, Coimbatore) submit that my transfer Travelling Allowance bill claiming T.A. for the journey performed by me from Harpanahally where I was working as Temporary Ranger at the time of my relief, to Coimbatore, on deputation, was submitted with necessary vouchers to the District Forest Officer, Bellary, under whom I was last working. The bill was rejected by the District Forest Officer and returned to me with an endorsement "....., no bill can be passed if it is presented three months after the completion of the journey".

In this connection, I submit that I was not aware of the T.A. rules revised recently restricting time limit for three months within which period claims for T.T.A's must be made and that I was not able to submit the bill in time as I left the vouchers (the enclosures of the bill) at my home, in a hurry, when I left for Coimbatore. There was no literate member of my family at my place to send them by post and so I had to submit the bill in October after returning from vacations during which I went home and fetched vouchers for submission along with the bill. Since, delay in submission of the bill is only about three weeks; which is purely due to my ignorance of recent rules, it may kindly be waverd and orders may be passed for acceptance and sanction by the District Forest Officer for granting me T.A. with any minimum deductions in the bill if rules do not permit for the grant of full amount claimed.

I, further, submit that I took an advance of Rs.95/- from Bellary Division at the time of my relief. At present I am not in a position to pay back the amount either in cash or from my monthly salary.

In the above circumstances, I, therefore, request repeatedly, that my claim may be, ~~seriously~~ generously viewed and favourable orders passed on my bill, for which act of kindness I will be ever grateful.

Yours faithfully,
B.V.Subbiah
